It was ladies night at the club when we met. At first we thought we didn't have much in common, but the more we talked, the more we found out that we did. Not only in foods and clothes, but in our sexual preferences. And that led to the pictures you'll see here!

And as you saw, we really got into it. Yea, it was a little awkward at first, but as soon as we started kissing, we couldn't stop. From lips to breasts to pussies, there wasn't any part of each other's bodies that we didn't explore. And we've been best friends and lovers ever since.

A woman with long dark hair and large hoop earrings is sitting on a dark brown leather couch. She is performing oral sex on a man's penis, which is held in her mouth. The man's legs are spread wide, and his hands are resting on his thighs. The woman is wearing pink high-heeled sandals. The background is a red curtain.

There was little I didn't do to Seth today, I fucked him until he couldn't take it anymore. We had to stop four times so he could rest, but I wanted to keep going. Of course you're not going to see it in the photos or on the video, but he walked out exhausted after today. I didn't tell him, but I came six different times today. I think it was once for each position.

KAMI & JACK

I have to admit, I haven't slept with too many men. I married my ex-husband in college and since we split two years ago, I've only been with a few more. When I was with my first guy after the split, I felt really awkward but that was okay. Then it felt natural once again.

What I found most interesting is how different every guy was when we fucked. Since it's only been a few, I can still remember each one and how they each wanted to be pleased. And how the best lovers have been the ones that moved just a little slower, and had bigger dicks!

My wife looks a lot like your cover girl Cailey. They could almost be sisters, except for the natural chest my wife has. I had always tried to imagine what her boobs would be like in her twenties since we've only been married five years and are in our forties. Nice as Cailey's seem, I think I'm happier with her natural boobies.

DINNER AND DESSERT

I'd been working hard all week and now I was really looking forward to a romantic roll in the hay with Alan. But he said, "I need to eat before I start fucking you." and he winked and grinned at me. So we called Giovanni's for take-out and came back home. I got the plates while he opened the take-away and set everything on the table. I got my wine and started eating. He went and got beer for himself from the fridge and we settled to dine and talk.

Once the basics had been exchanged, I was getting naughty and horny again. I started playing tootsie under the table with him and slowly my leg went higher on his leg. His first reaction was that of surprise and then, he relaxed and widened his legs so that I could have easier access. Slowly, my leg kept creeping up and it reached his upper thighs. We were having lasagna, garlic rolls and mozzarella sticks with dipping sauce. Then I had a naughty idea. I said, 'This sauce is not working with these rolls and sticks. Let me get you some of my personal dipping sauce.' I winked at him and went into the kitchen. I got some honey and chocolate and mixed everything nicely. All the time kept thinking naughty ideas so by the time the dipping sauce was ready, I was soaking wet, literally.

I took the bowl to the table and placed in the middle. Then I stripped off all my clothes. Alan was shocked to put it mildly. I got on the table, opened my legs and told him to dip his fingers into my pussy and

then in into the other sauce and then tell me how it tastes. He dipped it deep into my pussy and then in the other dipping sauce and put it in his mouth and said 'yum.' But he had other ideas in his mind now that I had started the game. He took another finger and put it in his mouth and then, got up and leaned into my pussy and rubbed it on my clit, rubbing it with varied intensities, giving me an orgasm and then, licked it and said 'this tastes better.'

Then the next one he took his finger, dipped it into the honey and pushed it into my pussy and began fucking me with it. Then he stopped suddenly and put it into my mouth and told me 'taste yourself on this but don't bite.' he said. So I started licking it and tasted myself and it was very erotic for me to taste myself, and it was making my wetter. I got off the table, collected everything on it and went into the kitchen without putting on my clothes; no use, I would be removing them in sometime anyway. And I started cleaning the plates at the sink. I had just cleaned one plate and put it on the rack to dry where I felt him standing behind me, naked.

Alan must have stripped down; and I could feel him. He had a boner, standing at attention demanding service. I began to move my hips against him, rubbing his cock and grooving with the sensations it was causing in my pussy. He pushed his hands forward through my hands and cupped my boobs and began to massage them. I threw my head back against him and a moan escaped me. Then, with his hands, he pushed my legs apart a bit from behind and pushed his cock between my legs and he started fucking my thighs from back. It went on for a few minutes; then I couldn't take it anymore. I

just threw the dishes into the sink, turned around and told him I wanted to fuck right now, and took his cock in my hand and pulled him along.

When we reached the bed, Alan told me to get on the bed but to stay on the edge. Then he asked me to sit on my knees facing away, and to bend down and spread my knees as far apart I could. This position made me feel very open and vulnerable. Then he raised my ass in the air and in one swift movement thrust into me and began to fuck me. Then, he bent over and with one hand started squeezing my left boob as the other snaked down to my clit and he began to massage it.

At first, he started with gentle strokes and slowly, increased his finger movement, making me wet more and more. I started groaning and grunting and then, started shouting, losing the count on the number of orgasms I had since he had started fucking me froggy style. I asked him to stop because I wanted him in me deeper than he was. I moved to the middle of the bed, turned on my back and asked him to get me some cushions. He pushed them under my hips raising up my vagina. I pulled him over me, took his cock in my hands and guided it in to my soaking wet pussy slowly, delicious inch by delicious inch, enjoying every inch that was sliding into me.

I pushed my legs up in the air next to his shoulders and demanded that he fuck me deep. He started fucking me deeper, a lot deeper than he was in froggy style, making me roll my eyes. He started fingering my clit with his thumb, and then my asshole which was right there for him. He began to finger it. That made me cum hard, made me cum fast. I could feel his balls slapping against my pussy. I raised myself and pushed my hands around his hips and pulled him closer; as if that was possible, and began to finger his asshole, pushing my finger in which made him go crazy. He stated pumping into me

faster and faster as he started shooting his load into me.

We both lay exhausted on the bed without moving for what felt like ages. Then I rolled into the spooning position and backed into his warmth. We fell asleep together as we have for the twenty-plus years that we've been married.

OPEN WIDE AND SAY...

I am a professional man – age 42. I'm a dentist working in a mid-sized All-American city in Wisconsin. I've been in practice for almost twenty years and I've had all types in my chair. My office is four blocks from the university so I get a lot of college kids. Now, many men can claim that they know the psychology of women fully but after reading my letter, some should reconsider. As I told you I am a dentist and one fine day I was doing my practice. After a few patients in the morning, a young woman enters my room, probably around 23 years old. My assistant brings in her x-rays and I put them on the light box. I turned the lights down for a better look. The girl was now sitting in the chair, leaning back in expectation of my diagnosis. I mention that there are a few minor cavities and one big one on her lower left rear molar. I ask if she would like to have them all taken care of in this session or

Dear Ed.,

I just loved seeing Carmella Bing getting plowed by two guys in this last issue of **40+**. She's all woman and handled those two pretty well. I've admired her through the years but with all these new girls monopolizing the internet, it was great to find her in your magazine and see her in the video you guys give us for free. Yeah, I know I can find clips or movies of her on the web, but they are all of pretty mediocre quality. I like to kick back and just let the movie run while I stoke it, and you guys got just right stuff for me.

break it into two? She thinks for a moment more and says we should take care of them all right now.

She wriggles in the chair as my assistant puts the bib around her neck and preps my instruments. I ask her to tip her head back and open. She tips her head back and, I'm sure, notices my assistant prepping something behind us. Suddenly, I feel her elbow brush my crotch as she wiggles a little in the chair. I ignore it but she looks at me straight in the eyes. Now I've had many an elbow or arm brush me there, but this one seemed intentional. Then she slowly closes and opens her eyes and I feel myself falling under her spell. She said no to Novocaine so I begin to work on her wide open mouth.

As I inserted various instruments to work on her teeth, she would wrap her tongue around them seductively, or lick my mirror as I was using it inside her mouth. At the same time she would adjust herself in the chair, again bumping my crotch. Now this happened too many times to be an accident. When my assistant stepped out of the room for a minute, well, that's when things got even more interesting. This time she bumped my crotch, but left her elbow there, even pushing it more into me. I now couldn't help but to get aroused and I now she sensed it.

Things quieted down for a moment when my assistant returned, but she told me it was approaching her lunch time and did I want another assistant. I told her that I would be fine because they were only routine fillings. She left – and for some reason closed the door behind her. I returned to my patient, raising the chair a little to reach her molar. That's when things got a little weird. She took the siphon out of her mouth. Needless to say I was quite shocked. She moved her hand more toward the center of my lap. Now, I was totally aroused and not able to understand what is happening, or why. Now,

she places her hand on my erection and presses her fingers and asks if it's okay, and I was answerless at that moment. I said with a feeble voice "Yes." She turned her face toward me and whispered, "Should I go on?"

I just nodded my head dumbfoundedly without saying a thing. She opens her mouth and licks her dry lips with her wet tongue. Her hand was playing with my bulge and trying to zip open my pants I assisted her with opening the zip and pulling out my erection. She gripped my penis with her palm around it and squeezed it. It was totally unbelievable that she was doing this to me, and I was allowing it. Now, she was lowering her head toward my lap and placed her warm lips around my shaft looking at me with a sharp smile... and again get into business by sucking it more vigorously. I was about to come and tried to pull her head away from my penis but she held it hard and ultimately I ejaculated into her mouth and she swallowed most of it, as some ran onto her cheek.

Suddenly the door opens and it's my first assistant. She sees me trying to zip up quickly and asks 'What's going on here?' I'm so embarrassed, but then she sits on the chair next to my patient and licks the cum off her cheek. They both look at me and smile. I do too and then go to lock the door.

Dear Editor:

There's little said about an older woman that seduces a younger one. Somehow, it seems okay if it's a younger man, but not a younger female. I have to admit, however, it was a real turn on for me to see Daisy and Tegan doing each other. Thanks for showing me what others don't.

I love my husband, especially when he watches me fuck another guy.

and hubby makes three

So it's Wednesday and I'm at the mall looking for a new outfit for Friday night. Something flirty and sassy. I wanna look extra sexy for Laurent. I ended up buying a black, short three layered, ruffled style skirt that will billow up when I twirl around. I have an off the shoulder sheer top that will look great with my new skirt. I'm shopping today because on Friday nights I attend a samba class with my husband. At first we were both so awkward and uncomfortable but improved over time. After a while we actually looked forward to it. Especially me because the instructor is so good looking. His name is Laurent. He's in his late twenties, great

As my husband and I entered the dance hall we noticed some balloons and a cake. We were told it was Laurent's birthday. So we all gave him a little cheer and applause. As class began I whispered to my husband that I would like to give Laurent a special birthday gift. You see... we have a pretty open marriage. He's enjoyed watching me with other men in the past, though it's been a while. I felt really sexy in my new skirt while I was dancing with Laurent. I could feel all the other ladies eyes on me. At the end of class, we all sang happy birthday to Laurent and had a piece of cake and made small talk. I watched with anticipation

looking with a sexy French accent. For the first hour I'd dance with my husband and the last hour Laurent took turns dancing with the ladies. Well last Friday, it seemed like Laurent paid a little extra attention to me. He'd call on me to help demonstrate certain moves on the dance floor. That made me feel really special.

On Thursday I couldn't concentrate at work. I watched the clock, wishing the day would end so Friday could come faster. At work on Friday I found my self fantasizing about Laurent. He knows how to lead you on the dance floor. What's special about him is he will whisper in your ear which way he'll spin you or dip so it looks smooth and well choreographed. I keep a pocket rocket in my purse. I've been thinking about using it today or maybe I'll just take out my horniness on Laurent on the dance floor with a little extra dirty dancing tonight. Either way, this guy was going to get me off, I guaranteed myself.

as the last couple began to leave. As Laurent walked them to the door, I was right behind him. I locked the front door, took him by the hand and told him that I wanted to make this a memorable birthday for him. I sat him down in a chair and began to give him a lap dance. My husband watched with a slight grin on his face as I grind my ass all over Laurent's growing cock. When I finished, I kissed his cheek and he thanked me. Laurent invited my husband and me back to his house for a birthday nightcap and we accepted.

We wanted to take an hour and freshen up at home so he gave us his address and said we'd see him at nine. I dressed in a totally transparent black sleeveless blouse and this wonderful bra my husband had bought me some months ago. There is no cup as such, just a bottom wire and thin straps so that all of my breasts and very erect nipples were sheerly visible for all to see.

We arrived right on time and Laurent greeted us at his door. With the split in my skirt blowing open, I showed a lot more thigh above the stocking tops. Laurent caught a glimpse of it.

"Oh, I'm sorry," he said when he eventually looked up. "It's just that you've got great legs." I was flattered, "Thank you, but I thought you were looking higher up." "You're a very beautiful woman Tiana, but I suppose you've been told that quite often." I replied, "Thank you Laurent, yes but only by my darling. It's very flattering to hear it from a good-looking younger man. It makes a woman feel very sexy."

I asked for his rest room and went to take off my already-wet g-string. My bare pussy was on fire. I wanted a fuck so badly and I was going to get it. I had no pockets to put my panty in, so I just left it in the bathroom and went back to the living room. I sat down opposite Laurent and did the Sharon Stone thing. I slowly crossed my legs.

the master bedroom, my husband right behind stripping his clothes off as he followed. Laurent lowered me gently onto the bed and both men proceeded to strip me. When they were down to my stockings and high heels, my hubby climbed onto the bed and proceeded to slide his wonderful fat cock into my pussy. Laurent was undressed by now and lay on the bed and started to suck my breasts and kiss me all over, his hands wandering all over my body. I was getting hotter and hotter and I reached for his cock stroking its wonderful length. My hubby's cock is your average six inches but it's very thick, about six inches in circumference. Laurent's was much longer about, eight inches, but not as thick. I wanted that cock inside me. Anywhere inside me.

My hubby must have sensed this and rolled onto his side turning me onto my side at the same time. This put my back to Laurent. He wasted no time and took the hint and the next thing I felt was his lubricated finger pushing it's way gently into my rectum. He slowly

Laurent did not take his eyes off my crotch. I could see he wasn't sure what he had seen. My hubby then got up and went to the toilet, while Laurent and I exchanged innuendos. My nipples were getting harder and larger, my pussy wetter and wetter and I could see the bulge appearing in Laurent's trousers. I liked what I saw. Laurent was obviously trying to work out how to take things when my darling hubby came to his rescue.

"Would these be yours by any chance?" he inquired while twirling my g-string around his finger. I just smiled. I turned to Laurent and curled my index finger at him. "Come over here." I said. In a flash Laurent was out of his chair and came over to me. He lowered his mouth to mine as his hand slid straight up my skirt and found my sopping wet pussy. His tongue slipped into my mouth and I returned his kiss with twice as much enthusiasm and passion as his fingers easily went deep inside my wetness. I shuddered and within a minute I orgasmed right there on his fingers.

Laurent bent over and scooped me up in his arms and carried me to

opened me up ready to take his cock. "I want you to stick your cock up my ass. I want to feel that thing buried up to where your balls are against my ass cheeks." His fingers withdrew and I gasped as he forced his cock into my ass. He paused while I regained my breath and then eased his cock all the way in until I could feel his pubic hair against my ass cheeks.

I turned to my husband, "Baby, I want your cock in my pussy right now, and then just hold still, I want to savor the feeling of fullness. A girl doesn't get to be doubly penetrated that often and I want to enjoy every minute and every inch of it." I could feel both their cocks rubbing against each other through the thin wall between my pussy and my ass. I was in heaven! They did as I asked, Laurent holding and squeezing my breasts, pinching my nipples, licking and kissing my back, my hubby kissing me deeply, his tongue down my throat. They both started to move their cocks in and out of me and I started to orgasm. It came in wave after wave of pure bliss and I screamed as each one hit me. I lost count of the number of times I came, it

didn't seem to matter, I was in sexual heaven and I just wanted to be double fucked all night.

It wasn't to be though and I felt my hubby's cock explode inside my pussy, drowning my pussy inside with his cum. He slowly withdrew his softening cock from my pussy but Laurent kept pounding away at my asshole and I just kept screaming and cumming. Just when I thought I couldn't cum any more, I felt my hubby's mouth on my pussy licking and sucking up all of his and my juices. That was enough. I screamed and orgasmed again, which sent Laurent over the edge and he spurted his load deep into my bowels.

We all just laid there for what seemed like ages but I couldn't move. Laurent's cock was still hard and deep inside my ass. I didn't want to move, I didn't want it to end. But slowly, and to my disappointment, Laurent withdrew his cock from my ass and I marvelled at

bed, his cock semi-erect and I motioned for him to come closer. He did and I took his length into my mouth, sucking him vigorously as he hardened to his full manhood. Meanwhile Laurent was kneading and squeezing my breasts as he pounded my pussy, my orgasms just coming wave after wave. My hubby took hold of my head and I took him down my throat, something I learned to do many years ago without gagging. Laurent looked up and saw Rob's prick totally swallowed and that triggered him off. He roared as he jetted stream after stream of come into my pussy just as Rob erupted a load down my throat. I just kept orgasming! I think I must have blacked out temporarily because the next thing I remembered was both men were on either side of my body gently caressing me all over.

"I don't know if this is what you planned," I said to my hubby, "but if it was, you have given me the greatest sexual experience of my life, and I love you all the more for it!"

his erection, it didn't seem to have lost any of its stiffness. Laurent grinned and disappeared into the en suite bathroom. When he returned he was carrying a bowl of warm water and a cloth. He then proceeded to gently wash my orifices, cleaning whatever spunk he could off of me. He was so gentle and thorough I could feel myself starting to heat up again and I reached up and took his semi erect cock in my hand and proceeded to stroke him until it hardened to its full eight inches.

Laurent put the cloth down and knelt between my thighs, put his hands under my buttocks and lifted me to his waiting erection. I felt the knob part my waiting pussy lips and he plunged it straight in to the hilt. I screamed as he hit my cervix and orgasmed again immediately! Laurent then proceeded to thoroughly pound away at my pussy. He lifted my legs up over his shoulders to get maximum penetration and I proceeded to scream and orgasm continually. Through my orgasmic fog I saw my hubby standing beside the

He replied, "It was planned, Laurent answered an ad I put in one of the contact papers. His answer was one of the few good ones. We met and I knew straight away that you would love to fuck him and now you have."

"Can we do this again?" Laurent asked. "Tiana you are totally fantastic. I don't think I've ever met anyone as multi-orgasmic as you, who loves having her pussy and ass filled as you do... and you are so beautiful. When your husband showed me your photo, I wondered how long ago it was taken. Now I know and it doesn't do you justice."

"Yes, I'd love to do it again, but maybe next time you could bring a friend." I smiled and added, "I just think I might like to have ALL my holes filled at the same time. If you can do that for me, I promise I can cum even more with three cocks in me." Now with a promise like that who wouldn't want to fuck this beautiful flower in every way that she offers.

I know you guys would love me to talk about my boobs, but I have so many times and, yes, they're awesome. But I also have a smokin' hot ass that loves attention. What kind of attention, you ask? The kind that a great big hard ass-seeking cock has.
